Old Business

Baker Lane improvements were discussed briefly. No final decision was made on what improvements, if any should be made. After discussion, it was decided that in lieu of paving or chipping projects, we should do some work on ditches and drainage on township roads. The secretary will contact Bill Barnhart about doing work on Swartz Road.

The secretary reported that the copier/printer/fax/scanner machine should be arriving soon.

The secretary reported that we still need to approve a personnel manual.

No quotes have been received yet for lettering of the building.

New Business/Secretaries Report

The township has been contacted by Kris Howdysshell of the Cambria County Solid Waste Authority regarding the placement of recycling bins at the township building. The bins would require an area approximately 30'x75' and it is preferred that the area be paved. After discussion, it was decided that due to the large, paved area needed the township will decline the authority's request.

The secretary reported that the audit has been completed and submitted to the proper state and local agencies. No irregularities were found.

The secretary reported that there is now a postage meter installed in the office. The monthly rental fee is and will be shared by the township and GVMA based on the terms of our agreement. Postage for each entity will be recorded individually.

Tracy Plessinger made a motion to approve receipts and disbursements for April. James Luther seconded the motion. A vote was taken. Both supervisors present voted aye.

Tracy Plessinger made a motion to approve the treasurer's report for March. James Luther seconded the motion. A vote was taken. Both supervisors present voted aye.

Meeting adjourned at 8:31 PM.

Tracy A. Plessinger, Secretary/Treasurer
