Old Business

David Cunningham updated the supervisors on construction of the new township/GVMA building. The interior finishing is progressing according to schedule but the landscaping around the building is being delayed by the wet weather. Work will progress as the weather allows.

The road master will be meeting with Mike Bowser, PennDOT Municipal Services Representative, on Friday to lay out a summer road project. The project will be advertised in time to receive bids at our May meeting.

New Business/Secretaries Report

There was a discussion of the new EIT collection system being set up by the state. Taxes will now be collected on a countywide basis. Each municipality must select a representative to be a part of the committee evaluating collection options for their county. Because White Township is in Glendale School District, and Glendale School District is counted in Clearfield County, our taxes will be collected by the Clearfield County collector. Tracy Plessinger made a motion to appoint James Luther as the White Township representative. Neal Maneval seconded the motion. A vote was taken. All three supervisors voted aye.

Tracy Plessinger made a motion to approve receipts and disbursements for April. James Luther seconded the motion. A vote was taken. All three supervisors voted aye.

Tracy Plessinger made a motion to approve the treasurer's report for March. Neal Maneval seconded the motion. A vote was taken. All three supervisors voted aye.

Meeting adjourned at 8:00 PM.
