Visitors

Charles Lockey and several other citizens addressed that Board of Supervisors concerning their concerns over the accumulation of junk cars on properties in the township. They requested that the supervisors consider enacting an ordinance to eliminate and/or regulate disposal of junk vehicles and other bulky waste. After discussion it was determined that the secretary would seek information from other municipalities and the Cambria County Solid Waste Agency concerning sample ordinances. Also, the solicitor will be asked to attend next month's meeting so offer his comments on the advisability of such an ordinance.

Tracy Plessinger made a motion to send a letter to PennDOT concerning junk cars and other bulk waste possibly encroaching on their right-of-way at the Winston property along St. Augustine Road. James Luther seconded the motion. A vote was taken. Both supervisors voted aye.

Old Business

In addition to the crushing the septic tank, the power has now been disconnected from the Tom Ross property. The CCBCEA has contacted REA and requested that under no circumstances should the power be reconnected until proper permits are acquired. It appears as though the mobile home on the property is unoccupied.

The secretary reported that Quaker Sales will be completing the paving of Black's Lane and Flinton Road this month. After the work is done the secretary will contact Bob Mills about doing a final inspection.

The secretary updated the supervisors on the progress of the Glendale Valley News, a municipal newsletter sponsored by GIDA. The first issue is being completely underwritten by GIDA and was mailed to every household in the five municipalities represented by GIDA. It was mailed on September 1.

New Business/Secretaries Report

The secretary presented a letter of resignation from Dr. Fred Soisson. Dr. Soisson has moved from the area and will not be able to fill the remainder of his term. Tracy Plessinger made a motion to accept, with regret, Dr. Soisson's resignation. James Luther seconded the motion. A vote was taken. Both supervisors voted aye. A discussion followed concerning the possibility of appointing a replacement for Dr. Soisson. Since the election to fill Dr. Soisson's seat will take place in November, it was agreed to allow the seat to remain vacant pending the outcome of that election.

The secretary reported that the township has received a letter from the Mountindale Community Development Corporation requesting a letter of support from the township for their project to develop the Mountindale Conference Center. Tracy Plessinger made a motion to send the requested letter of support. James Luther seconded the motion. A vote was taken. Both supervisors voted aye.

Payment of Accounts
